

Commercial Activities UPDATE #7

10-20-03

New News

Due to provisions in the recently signed Defense Authorization Bill, the Admin/Financial Services A-76 Study has been suspended until further notice. Language in the authorization, Section 8022 of the final Defense appropriations bill (Public Law 108-87), which President Bush signed into law on Sept. 30, states that all studies must be completed within the 30-month timeline vice the 48 months allowed under the previous rules.

Department of Defense officials are evaluating the alternatives and will be releasing official guidance in the near future.

Your continued support and assistance is appreciated. We will continue to post updates to keep you informed of the status.

If you have any questions, recommendations or ideas pertaining to the A-76 study, please contact your site representative or the Team leader.
